**Perfect position for the RN who is tired of the demands of the clinical setting**

RSS, a nonprofit agency that serves older adults and their families in the Northwest Bronx seeks an experienced RN to conduct basic health services and education in a community-based setting. The position is part-time, 21 hours per week and is located in the agency's **Senior Center**.

Qualifications

NYS Licensed Registered Nurse with relevant clinical and/or educational experience.

The RN will coordinate and manage health promotion and education components and services to include arranging for health lectures and providing basic health services to senior center members such as blood pressure monitor/health & medication management. Other duties will include coordination of CPR/AED trainings for staff, tracking and data collection, report writing and assisting the agency to advance its health management program.

Bi-lingual a plus but not necessary

Position Details

Part-time 21 hours per week (weekdays to be determined)

Salary: \$43,680
